**The Calhoun Gordon County Public Library Announces Their
Virtual Summer Reading Program: Imagine Your Story**

The Calhoun Library Is Developing Drive-up Service.

The Calhoun-Gordon County Public Library will soon begin offering service via a driveup (no-touch) service. Curbside service testing will begin soon, as supplies are being delivered daily. Please monitor our website www.ngri.org for updates. We will open the service as soon as all supplies are in-house.

The library buildings will not be open to the public.

Curbside services for the Dalton-Whitfield Public Library are limited to checkout of Dalton-Whitfield County Public Library books, audio/CDs and other circulating items (each patron is limited to five items.) Pickup is limited to weekdays between 10:00AM and 12:00PM. As we perfect the new delivery methods, we will add additional services for the public.

The Dalton-Whitfield Library curbside services are available to all NGRI branch library users from Dalton, Calhoun, and Chatsworth. Instructions are available at <http://ngri.org/curbside> and soon will be available in a Spanish version.

Furthermore, NGRI is going virtual this summer! Join us online for stories, crafts, activities, and reading challenges for all ages. The Summer Reading Program 2020: Imagine Your Story runs from June 1st to July 31st. To learn more visit <https://ngri.org/srp2020>. To register for the reading challenge online go to <https://ngri.beanstack.org>.
